LITTLE THINGS THAT MAKE A BIG IMPACT

Essentra provides the small yet vital components that are everywhere. These little things make the world go round smoother, smarter and faster. By being better made. By getting there on time. By solving complex problems.

Working with you, we bring together the best products, ideas and distribution in one unrivalled package. Our reliable service and global capacity means that we deliver – whenever, whatever, however.

We are a FTSE 250 company, with a global reach and a local understanding.

Operating from manufacturing sites across Europe, North America and India, Essentra provides a range of innovative packaging solutions to meet the rapidly changing requirements of the pharmaceutical, consumer, beauty and personal care markets. Our product offering includes cartons, leaflets, self-adhesive labels and printed foils used in blister packs.
